Quit 2 Win Contest

"Eligibility Requirements and Contest Rules"

The Quit 2 Win contest is a collaboration between INShape Indiana, Indiana State Department of Health, and Indiana Tobacco Prevention and Cessation. The contest starts September 15, 2007 and ends October 15, 2007. Participant(s) are defined as any person (18 years or older and a legal resident of Indiana) who uses tobacco daily and pledges to stop using tobacco during this period. Contest entries must be received no later than September 5, 2007. One entry allowed per person. The winner(s) of the drawing will receive donated prizes from contest co-sponsors.

Participant(s) who successfully complete the 30-day tobacco cessation contest will have an opportunity to be selected in a random drawing to win designated prize(s). Participant(s) selected in the random drawing become a potential winner(s). A potential winner is defined as any person (18 years or older who meets all eligibility qualifications) who has participated in the 30-day cessation contest.

A potential winner(s) will be notified by a promotional representative via telephone and mail. Once selected, a potential winner(s) will be asked if he or she has used tobacco—even a little—between September 15 and October 15, 2007. A credible character reference will be asked to verify how many years the potential winner used tobacco and whether he or she has successfully stopped using tobacco. Participant(s) must supply a credible character reference if his or her name is drawn. A potential winner(s) will be required to have a breath analysis and/or urine test to further verify his or her tobacco free status. If that participant fails (by testing positive for traces of nicotine or cotinine) they will be disqualified. Potential winner(s) who are disqualified for any reason, automatically forfeit any rights and/or ownership of named prize(s). All disqualified potential winner(s) will be discarded and a new name will be randomly selected to repeat the verification process.

A winner(s) that has been successfully verified as tobacco free will have seven days from notification to claim their prize(s). All winner(s) are subject to Indiana State laws and responsible for all appropriate taxes. Prizes are not transferable and may not be assigned to any other person or entity. There is no cash value, cash redemption or cash transfer in lieu of any merchandise prize.

The State of Indiana, INShape Indiana, Indiana State Department of Health, and Indiana Tobacco Prevention and Cessation, including their marketing agencies and any/all prize sponsors, make no express or implied warranties of any kind with respect to the safety, appearance or performance of any prizes offered. The odds of winning a prize are dependent upon the number of entries received. Employees and immediate family members of INShape Indiana, Indiana State Department of Health, and Indiana Tobacco Prevention and Cessation and its advertising and promotional agencies are not eligible to participate in the contest.
